One Of Heaviest Lemon Crops On Record For 1959

Navels Also Look Good After Disastrous 1958 Lemon, Navel Season

"One of the heaviest crops on record . . ."

This is the outlook for lemon growers of the area in 1959.

Archie J. Cruzen, Upland Agricultural Inspector now located in the County Building, Mountain and Sixth, Ontario, gives this outlook for the 1959 lemon harvest.

"The 1959 crop at present appears to be one of the heaviest on record," Mr. Cruzen states in his annual seasonal citrus report. "Fruit appearance is good which should help grower returns," he states.

Reporting on the 1958 season, Mr. Cruzen listed the FOB value of 1,498,000 cartons of lemons harvested from 4,500 acres of groves in the Upland, Cucamonga, Alta Loma, Etiwanda and Ontario areas as $3,169,000. This was a drop of almost $1½ million below the 1957 total of $4,612,000 for 1,750,000 cartons packed.

"Our local lemon growers were plagued by heavy fruit scarring due to wind which caused heavy cullege to juice," the agricultural inspector reports of the 1958 season. "The lemon crop was also considered a light crop and the lemon market was depressed considerably in comparison to the 1957 market."

Total citrus value from the five citrus packing houses in Upland, which pack all the fruit in the West End, was $5,486,000 in 1958, a drop of more than $2 million under the 1957 total of $7,675,000. These totals represent all citrus, including lemons, navels, valencias and grapefruit, in the area.

Near-average crops for navels and valencia oranges are also foreseen in 1959 by Mr. Cruzen. For the West End area, his report reveals the 1958 navel crop to be "the poorest yield in over 40 years." He also states that "prices were the highest in many years due to poor yields throughout most of Southern California," with the value of the navel crop being unusually good.

With the navels packed in '58, 340,000 cartons, being far less than half the 824,848 cartons packed in 1957, the FOB value made a good showing. In 1957 the total value was $1,715,000 and in 1958 it held above the $1 million mark at $1,017,854.

The 1959 navel crop is currently estimated by Mr. Cruzen at 72 per cent of a normal crop, "Fruit sizes are good and fruit quality excellent," he said.

Valencias in 1959 were a relatively poor crop, but not as disastrous as the 1958 navel crop. The 1959 crop appears good at present. The Valencia market price held up well with the 203,000 cartons packed representing a valuation of $466,000, compared to 271,000 cartons with a $497,000 valuation in 1957, the inspector's report states.

By-products values for 1958 in the area citrus industry amounted to the following, Mr. Cruzen reports: Navels, $18,000; Valencias, $42,000; Lemons, $546,000, and Grapefruit, $20,000.

Mr. Cruzen also reports on other agricultural crops in the Upland area. He places the value of nursery stock — primarily camellias—at $265,000; the poultry value at $1,514,000, primarily in eggs produced from 160,000 laying hens; dairy cows, rabbits and avocados are grouped for a total of $370,000.

Total agricultural value of all items in the report come to $7,640,000 for 1958, a drop of almost $1½ million under the 1957 total of $9,043,300, confirming that the lemon grower and packing houses absorbed the major portion of income reduction for the year. With the citrus industry showing a drop of $2 million in fruit value for 1958, a $1½ million increase must be credited to the other agricultural products.

State Aid Next Move For School Board

The Upland News

SIXTY-FOURTH YEAR — NO. 49 | UPLAND, CALIFORNIA | PRICE 10c Single Copy | THURSDAY, FEBRUARY 12, 1959

18th St. Site May Be Cleared For New School

Unable to keep up financially with growth in Upland Elementary School District, the Board Tuesday night began clearing the deck for application for State Aid.

Major moves to obtain State Education funds involved these subjects:

1. An attempt to have 9000 sq. ft. of auditorium space deducted from State figures now showing as "classroom" space. A letter has been written to the state.

2. The State has refused the Upland Board permission to build four portable classrooms at Upland Elementary School. The 10-acre site already has 18 classrooms and two kindergartens; with 20 classrooms and two kindergartens the most allowed. The State does not recommend Upland add just two portable classrooms.

3. The Board terminated a 1-year lease renewal on the 18th St. property to a fruit grower effective this June, to provide for a clear site for a new school, if needed.

4. The Board will study the advisability of demolishing the old school at 18th St. As a fire hazard, without adequate heating, wiring, and other facilities, the building may be considered as in a condemned nature by fire and school inspectors.

Mr. Harold W. Cook, Superintendent of Schools, said the average daily attendance in 1957-58 was 2221, with the average daily attendance in five-months of 1958-59 at 2431, or a 10% increase. There was a 10% increase the previous year, too.

Mr. Cook explained that the elementary school district is bonded almost to its capacity, and it could keep up with growth if at a maximum of about 6%. With growth running at 10% and expected to run higher the next three years, State Aid is the only answer, he said.

The District will have 14 new classrooms between October, 1958, and September, 1959; but still is falling behind.

"There may be a greater number of double sessions next year compared to this year," Mr. Cook remarked.

Contributing to the growth of the pupil population were the Medco tracts, the possible effect of the new Fruehauf plant, and the high birth rate in the area.

If a new school is constructed with State Aid, there is a good possibility it might be a combination Intermediate and Junior High at the 18th St. site.

May Election For School Board Posts

Two positions on the Board of Trustees for Upland Elementary School District are open at an election Tuesday, May 19.

Floyd G. Allen, who is completing his first three-year term, said Tuesday night he will run for re-election.

Mrs. Evelyn Engle, who is completing her fifth year on the board, said she had not made up her mind about running for another term.

Both posts are for three years.

The deadline for filing for a position is April 17

Three precincts will be set up, with polling places at Upland Elementary School, Sierra Vista Elementary School, and Upland High School.

Inspectors will be Pauline Scott, 253 N. Campus; J. Harry Snowden, 811 W. 21st St.; and William R. Mason, 559 N. Euclid Ave.

Judges will be Nellie G. Engle, Margaret Hawkins, Exie Jean Warner, Hedda Redfield, Fred Earl Draper, and Dorothy Santolucito.

Polls will be open from 7 a.m. to 7 p.m.

Precinct areas will be described in a legal notice to be published in The Upland News.

Debate Teams Win Over Riverside

Upland High School's two debate teams added to their laurels by winning full-length debate rounds in a contest with teams from Riverside Polytechnic High School. The event was held at Upland High School last week.

Both teams debated on the topic, "Resolved: That we should adopt the essential features of the British system of education."

On Upland's winning team were Ron Penn and Dana Fox; Elwyn Dennis and Lance Lauer. The teams were coached by Barry Alexander.

Campout Friday Night

Public Invited To Visit Camp Site Events

Annual campout for Serrano District Boy Scouts will take place in Upland on Friday night, climaxing observance of Boy Scout Week here.

One hundred or more Boy Scouts will camp out on the vacant property at the southeast corner of Euclid Ave. and Foothill Blvd. and the public is invited to visit the camp site at any time during Friday evening or Saturday morning.

Scouts will begin arriving at the site after 4 p.m. Friday and will prepare the camp site, set up tents and have a cook out. A campfire is scheduled for 8:30 p.m.

Saturday, 9:30 to 10:30 a.m., the Scouts will demonstrate Scouting skills, including knot tying, fire by friction, water boiling and tent pitching.

Chairman for the campout is Raymond F. "Bud" Smith, assisted by Robert E. Scudder and Alan E. Howell. Sea-scout Explorers of the SSS Tigershark will pull guard duty during the campout. One of several buglers to participate is John Valentovis.

BOY SCOUT WEEK is being observed in Serrano District with many activities and will be highlighted by the overnight campout Friday at the southeast corner of Euclid Ave. and Foothill Blvd. Scouting demonstrations were given in downtown Upland on Friday by Upland Kiwanis Club Troop 8 to advertise the campout. Here members of the troop and Scoutmaster Jack Mishler, top left, erect their handcarved totem pole in front of J. J. Atwood Co. The Scouts, reading clockwise, are Gregory Harrah, Mike Pompa, Larry Mendoza, Bill Harrah, Jamie Zwissler, Ray Ketchum and John Mishler. — NEWS Photo

Chaplain For Hospital Suggested

Possibility of providing a resident chaplain at San Antonio Community Hospital was suggested here Tuesday morning at the meeting of Upland Ministerial Assn.

The Rev. Ray S. Harris of Downey, executive secretary of Hospital Chaplains Ministry of America, Inc., explained how this non-profit, inter-denominational organization operates and told of the work it is accomplishing in hospitals.

In addressing the local ministers, the Rev. Mr. Harris suggested a research program be undertaken in the local hospital to determine its needs with reference to ministerial aid. He told the group that the Hospital Chaplains organization would offer its services in providing a resident chaplain at San Antonio Community Hospital if a study determined that such a chaplain was needed.

The Rev. Eber Dourte, Ministerial Assn. president, said the matter would be acted on at the next meeting after thorough consideration. He announced that Assn. meetings through May will take place in Upland College dining hall, 7:30 a.m. on the second Tuesday of each month. A Boy Scout representative will speak at the March 10 meeting.

$214,162.81 Tax Total Received To Date By City

City of Upland has received to date in the 1958-59 fiscal year, a total of $214,162.81 in property taxes collected by the office of the County Auditor, according to City Clerk Hazel Cassell.

The City contracts with San Bernardino County for the collection of its taxes at a cost to the City of ½ of one per cent, Mrs. Cassell explains. For collection of the tax monies returned to the city to date this fiscal year, the city's cost was $814.27.

"Property within the City of Upland to be locally assessed was valued at $15,761,480. State assessed property was valued at $2,706,830. Unsecured personal property was valued at $1,166,840—a total of assessed valuation of assessable property within the City of $19,635,150," Mrs. Cassell reports.

Upland City Council adopted a 1958-59 fiscal year tax rate of $1.58 on each $100 of assessed valuation. Estimated yield on the $19,635,150 assessed valuation was $296,240. With $214,162.81 of this total now received by the city, an additional amount of approximately $82,077.19 can be anticipated following the next regular payment of taxes by Upland property owners in April.

Ask Foothill 35 MPH Limit, Turn Lanes

A left-hand turn lane on Foothill Blvd. at its juncture with Alta Ave. and a lowered speed zone for the area were the objectives of a group of Foothill Knolls residents appearing at last night's meeting of Upland Safty Committee.

Chairman Harold Barbour indicated prior to the meeting that he would recommend the Committee ask Upland City Council to extend the 35 mph speed limit east from Euclid Ave. to the city limits at Grove Ave. and install left-hand turn lanes at every principal intersection on Foothill Blvd. within the city.

The 35 mph zone on Foothill Blvd. now extends east from Euclid to a point just east of Campus Ave. It extends west of Euclid to a point adjacent to the telephone company building. Beyond these points, a 45 mph speed limit is now in effect.

Band Boosters Sell Candy

Upland High School Band Boosters are sponsoring a chocolate-bar sale, starting tomorrow and continuing through Feb. 21, with students as salesmen.

Purpose of the sale is to earn money to care for any worthwhile objective not otherwise covered by the regular school budget, such as parts of uniforms needed by indigent students, and recreation money for the same, to be used on trips the band takes.

Mrs. Ralph Scott Seriously Ill

Mrs. Ralph Scott, wife of the owner of Scott's Jewelers, is seriously ill in San Bernardino County Hospital, suffering from a tetanus infection.

Mrs. Scott sustained a minor abrasion on her lower leg about Jan. 4 which failed to heal and on Saturday serious complications developed, and the nature of her illness was determined.

She is presently undergoing treatment for the infection and anti-tetanus injections are being administered. While she is responding to treatment at this writing, she faces the possibility of three to six weeks confinement in the hospital.

Legislative Bill

Propose Unified Schools

Upland and Mt. Baldy might have a "unified" school district of grades 1 to 12 by June 30, 1964, if a proposed bill in the state legislature should pass. It would split the present Chaffey high school district.

The measure calls for a "master plan" for unified school districts in the state.

At a meeting attended by Harold W. Cook, Superintendent of Schools, San Bernardino County described the proposed first possible breakdown for 17 "unified" districts. 1—Upland and Mt. Baldy were grouped with assessed valuation of $21 million. 2—Cucamonga, Alta Loma, Central, Etiwanda, Mt. View and Guasti were grouped in an area with $44 million assessed valuation. 3—The Ontario District, generally as presently constituted, would have $71 million assessed valuation.

Such a major plan probably would cost the taxpayers more money, but would return more efficiency, education, and services to the children, the school board members indicated in a general discussion.

Jr. High Selects New Officers

Congratulations are in order for the following students who were successful candidates in the election last Friday and thereby become new student body officers in Upland Junior High School:

John Whittaker, president; Ken Walker, vice president; Dean Palmer, secretary; John Gilliland, program chairman; Barbara Baumgart, seventh grade representative and Cathy Davis, eighth grade representative.

"Red Ink" Operation Due

Voters Turn Thumbs Down On Tax Rate

Cucamonga School District appears headed down disaster road.

Tuesday, by a vote of 98-81, the district electors turned down the $2 tax rate and thus set the stage in "red ink" trappings for the 1959-60 school year.

One hundred and 81 electors cast their ballots in the tax rate election, with two ballots being spoiled. The 81 "yes" votes were not even 50 per cent of the 166 "yes" votes which approved the district bond election last October. The bond election approved sale of bonds to build the new Los Amigos School at Ninth St. and Baker Ave. but the same taxpayers refused to provide the funds to operate the school.

With a "thumbs down" vote given the proposed tax rate increase from $1 to $2, the tax rate will continue at the $1 rate during 1959-60, with the overrides allowed by law. At present, overrides total 25 cents so the total rate is $1.25.

The $1 tax rate will continue in effect until June 30, 1960. At that time, if another tax rate is not approved, the rate will drop back to the 90 cent rate of previous years—which would virtually make it impossible to operate the existing Cucamonga School.

With only a limited amount of funds to be on hand in the district treasury at the close of the 1958-59 fiscal year, June 30, the school district will enter the 1959-60 fiscal year on an extremely insecure economy.

The funds will not be adequate to operate Cucamonga School until the first tax monies are received in December, so a loan will be asked of the County Schools office. This is normal, even when adequate hold-over funds are available on June 30. The loan to be required will be considerably higher than normal, however, and the County School Superintendent's attitude on this loan is yet to be learned.

District Superintendent Ralph Bullock said yesterday that he does not know what action the board of trustees will now take. He said he is unaware of any state provision to aid school districts where district taxpayers refuse to provide adequate tax monies for operational expenses. He earlier indicated that double sessions and crowded classrooms would result from a "no" vote to the tax rate election.

An aura of disbelief yesterday surrounded those informed persons intimately familiar with the school district operation and needs.

$500 Gift To College Made By Bank

Several branches of Bank of America in the Southwestern area of San Bernardino County have joined in making a third gift to Upland College, according to President John Z. Martin.

The most recent gift of $500 was presented by Charles N. Walker, Upland Bank of America branch manager, pictured right, to Abner B. Holdeman, center, Upland College controller, and Dr. Martin, left.

Within the past two years the Bank of America has presented the college a total of $1,500 as unrestricted gifts and capital funds.

According to Mr. Walker, "Bank of America has always been interested in the promotion of quality education by offering its achievement awards program for the secondary school level and unrestricted grants for higher education."

PARKING LOT COMPLETION MONTH AWAY

Construction will be completed within 30 days, sometime early in March, on the three downtown off - street parking lots.

This information came yesterday from Jack L. Stevens of Alta Loma, contractor for the parking lots. Mr. Stevens said curbs are scheduled to be poured in the lots next week, after which installation of electrical lines for the lighting will be laid under ground, followed by final grading and paving.

Some underground electrical installation work has been completed by the sub-contractor on the Third Ave. parking lot, but this is yet to be undertaken on the twoFirst Ave. lots.

Woman's Club Observes Two February Birthdays

Mmes. G. H. Clark, B. M. Pace, Joseph A. Powers and Walter Hewitt greeted members and guests at the regular luncheon meeting of Upland Woman's Club on Tuesday.

Mrs. Mary Gillingwaters, in charge of foyer and stage decorations, placed a rare and exotic plant as a centerpiece on the foyer table, using a cover of black, and flanked by silhouettes of Abraham Lincoln, with a background of the American flag. A "Fisher's Child" begonia, a hybrid from the private collection of Mrs. Gillingwaters, was most dramatic on the stage.

Luncheon table decorations followed a Valentine motif. A manzanita branch with "flowers" of red hearts was placed on the principal table, while ruffled red net in heart shape and containing cupids ornamented the tables.

Mrs. Clyde Mackall, first vice president, presented Mmes. Mel Hodell, Leonard Shelly and Armand J. Pereyra as new members and Mrs. J. B. Swingle introduced 11 guests.

Mrs. Earl Wenger was appointed general chairman of the Community Achievement Contest, which the Club is entering. This is sponsored jointly by the General Federation of Women's Clubs and the Sears Roebuck Foundation.

March 10 was announced as Men's Night, and tickets are now available from board members.

Edgar Harrison Wileman, director of Young Home Planners Center, Barker Brothers, introduced by Mrs. Ralph Almquist, discussed "Today's Trend in Home Furnishings," and stated that the trend now is to combine the best of the past with the new of today.

Mrs. Anthony Barone was luncheon chairman and Mrs. Charles Adams was co-chairman, with Mmes. Arthur Asper, Thomas Gibson, Marion Grothe, H. A. Hixson, D.E. Maroney, Don Matthews, J.J. McEncroe, H. C. Sahlmann, R. H. Schulze, J. W. Strolar, James Sexton, Charles F. Fletcher, Wenger, D. E. Bert, P. H. McQuillen, Thomas Photos and W. M. Vogel and Miss Lydia Morris the luncheon committee. Mmes. Adams and P. J. Weiland arranged the table decorations.

Weather Bureau Volunteer Reporter Sought In Upland

A volunteer to compile daily rainfall and maximum and minimum temperature records for monthly report to the U.S. Weather Bureau is being sought in Upland.

To qualify, a person must reside within one mile of Upland Shopping Center, so that the measures will be representative of the most densely populated portion of the city.

No financial gain is involved, but Zeal Boren, field aid from the Los Angeles office of the Weather Bureau, says many people find this type of volunteer reporting a rewarding pastime.

The Bureau furnishes all equipment necessary, or if the volunteer has the proper equipment, it can be used. Mr. Boren advises that it takes only one minute's time each evening to record the temperatures on a record card, which is mailed to his office once each month. No phone calls or daily reporting is involved. All forms and postage are also provided.

Interested persons should write to Mr. Boren, indicating their location, elevation (if known), and list any rain gauges, and maximum and minimum thermometers owned, if any. Mr. Boren reports that the Bureau prefers found exposure locations for the weather guages and thermometers, with no roof exposures acceptable nor those within 12 to 20 feet of paved surfaces.

Persons interested in volunteering for this community service should write to: Substation Inspector, Weather Bureau Office, 1752 Post Office Bldg., Los Angeles 12, Calif.

Scout Banquet

Cub Scouts, Pack 10, will observe the annual celebration of the founding of Boy Scouts, with a Blue and Gold banquet, scheduled for Upland High School Gymnasium, Feb. 19, at 6:30 p.m. A special program is planned, highlighted by some of the adventures of past Jamboree members.

Baldy View Card Party February 25

At the February meeting of the Baldy View PTA, Mrs. A. W. Stremmell was elected to serve as president for the 1959-60 term of office.

Mrs. Stremmell has six years of PTA service to assist her in qualifying for the office of president. She has held the position of room counselor, treasurer, co-chairman ways & means, carnival chairman, secretary, program chairman, Founders Day chairman, health chairman. Prior to her service at the Baldy View PTA, she was active at the Tweedy School PTA in South Gate.

On March 3, the following slate of officers will be installed: president, Mrs. A.W. Stremmell; vice president, Mrs. Ernest Boyer; recording secretary, Miss Faithe Musser; corresponding secretary, Mrs. Chas. Dulaney; financial secretary, Mrs. Sherman Pierce; treasurer, Mrs. Chas. Adams; auditor, Mr. J. T. Waller; historian, Mrs. Floyd Kellner and parliamentarian, Mrs. Boris Cherbak.

Valentine Party At Casa Colina

Welcome Wagon Newcomers Club is arranging a Valentine's party on Friday evening, Feb. 13, at 6:30 o'clock for children patients at Casa Colina.

Mrs. Mildred McKeague, 578 E. 11th St., is making all the favors for the party; Jens Vithen, owner of Allura Dairy, is donating ice cream and punch and members of the club are providing cupcakes. Mrs. Richard H. McLaughlin is general chairman and announces that entertainment will be provided by Clarence De Graff of Azusa, who will show film cartoons in color. Mr. De Graff presented his colored films at the Christmas party given for Upland children by the Welcome Wagon Newcomers Club, and they were thoroughly enjoyed.

Mrs. Behm Hostess Ruth Ann Circle

The Laubach method of teaching reading was presented by Mrs. Gladys Reese, teacher of the method in Pomona, at the meeting of Ruth Ann Circle, First Methodist Church, when it met in the home of Mrs. Edwin Behm, 1703 W. Njnth St. The speaker was introduced by Mrs. Merrill Moore, program chairman.

Mrs. Reese spoke of her experiences as a teacher of the Laubach method, illustrating her talk with various charts and materials used. She also mentioned that only two fifths of the world's population are able to read and write.

During the social hour, refreshments were served by Mrs. Behm, hostess, assisted by Mmes. Dale Stevens and Ralph Barnett, with a Valentine motif used on the tea table and in decorations of the home.

Special guests introduced included Mmes. Corydon Smith and William Cave.

Members present included Mmes. Alan Bescoby, Andrew Pollick, Kenneth Robbins, John Funk, Paul Losson, Stephen Yacura, Maynard Hancock, Paul G. Hershey, Blythe Rosenberger, Raymond Smith, Lloyd Tiberg, Charles Adams, Carl Hess, Stevens, Barnett, Behm and William Joseph, president.

College Library Adds Volumes

The Upland College Library is larger by one hundred forty volumes according to an announcement by Miss Miriam Bowers, Librarian. With these January additions the library now numbers well over 14,000 volumes.

Books were added in the areas of sociology, religion, philosophy, economics, education, science, music, literature and history. Twenty volumes were added in the field of education while fifty were added in the history and biography area.

The rapidly expanding college library is open to the public for study. The books may be borrowed by the people of the community.

Stroh-Matthews Wedding Solemnized On Saturday

Larry Lee Stroh, son of Mr. and Mrs. Art Stroh, 564 N. Fifth Ave., was united in marriage with Peggy Yvonne Matthews, daughter of Mr. and Mrs. Arlie B. Matthews, Ontario, in double ring rites, in Bethel Tabernacle, Ontario, with the Rev. T. J. Millhollon officiating. One hundred guests were present for the 7 p.m. ceremony, Saturday evening.

Two immense bouquets of white stock and white gladioli were used to ornament the chancel and form a background for the appearance of the bride, on the arm of her father.

For her bridal gown, Miss Matthews chose white lace over taffeta, styled with a scoop neckline, long sleeves and a voluminous skirt. Her illusion veil of net, edged with lace, was held in place by a pearl tiara. She carried a white orchid in a circlet of lace, upon a Bible.

Judith Kay Gaiser, Ontario, was chosen maid of honor and she was gowned in red velvet, sheath styling, and carried a bouquet of peppermint carnations.

Elden Voskull, Ontario, served the bridegroom as best man for the ceremony.

A two-piece gown in blue and white was the choice of the mother of the bride, for the wedding, and with which she wore matching accessories and a white orchid corsage, while the mother of the groom selected beige lace over taffeta for her son's wedding. Contrasting accessories and a red carnation corsage completed her ensemble.

Mrs. Betty Sanderson provided traditional wedding music during the ceremony and also accompanied Mr. and Mrs. Reginald Keith, vocalists, who sang "I Love You Truly" and "Always."

Following the ceremony a dinner reception for 30 guests was held in the home of the bride's parents, with Miss Gaiser, maid of honor, as assisting hostess. The Matthews home was most attractive with arrangements of white stock and gladioli, and the beautifully ornamented two-tier wedding cake with its topping of a miniature bride and groom in a heart frame, was the center of attraction on the bride's table.

The new Mrs. Stroh has resided in Ontario for 11 years and is a graduate of Chaffey High School. Mr. Stroh was born in Upland, has spent his entire life here and attended Upland High School. He is employed by Perkins GMC Truck Co., in Pomona.

Leaders Open Scout Week At Roundtable

Serrano and Broken Arrow district Cub, Scout and Explorer leaders — 78 strong— opened Scout Week by attending the monthly roundtable at Old Baldy Council Training Center.

Cubmaster Ed Harlan, Upland Cub Pack 10, led the Den Mothers and Cub Leaders in exploring the March theme, "Canada, Land of the Mounties." Serrano District Scouters participating were David Gardner, Mt. Baldy Pack 1; Dorothy Bazis, Clara Dumont, Upland Pack 1; Edna McGinnis, Emery Vesmarovich, Upland Pack 10; Evelyn Hall, Alta Loma Pack 1.

A. W. Stremmel of Upland Pack 10 participated in a Webelos Den Leaders' panel discussion. The Scout Week campout at Euclid Ave. and Foothill Blvd., set for Friday and Saturday, and the Leaders' "Showando" on March 14 were topics for the Boy Scout Leaders Roundtable. Participants included Ed Bonds and Larry Sos, Mt. Baldy Troop 1; Lee Hoover, Etiwanda Troop 1; Joe Dietz, Alta Loma Troop 1; Ed Fields, Upland Troop 4, and Alan Howell, Upland Troop 8.

Explorer "specialties" were discussed by Explorer Leaders, including Wally Randleman, Skipper of Upland Sea Explorer Ship 7, and Serrano District Commissioner Herbert Hall.

Bag-Pipers Install New 1959 Officers

1959 installation of new officers was held recently by Bag-Pipers Tri-Hi-Y, Upland High School, at the home of Linda McLaren.

Officers installed included Sandy Wise, president; Judy Hamm, vice president; Christine Wymore, secretary; Linda Quattrociocche, treasurer, Sandy Baumgart, chaplain, and Eileen Mefferd, historian.

Retiring officers include Vickie Santolucito, president; Melinda Rosenberger, vice president; Linda MacLaren, secretary; Nancy Prince, treasurer; Francie Pitts, chaplain, and Jeannie Guerra, historian.

Other members present were Jo Ann Dalla Rosa, Glenna Bentley and Mrs. Ralph Parsons, advisor.

Douglas Ties For Two-Club Honors

"The Strength of America" was the topic on which Steve Douglas spoke at a recent joint meeting of Upland-Foothill and Fontana Toastmasters clubs to tie for speaker-of-the-week honors with Ed Boetani of Fontana. The latter's topic was, "What Future?"

Garden Section Plans Field Trip

A field trip to Descanso Gardens, La Canada, is planned for the March 6 meeting of Garden Section, Upland Woman's Club, with members meeting at 10:30 a.m. in the club house. Those attending are requested to bring a sack lunch. Mrs. J. C. Baird will be in charge of transportation.

Mrs. Nellis C. McNeil, club member, was speaker at the February meeting held Friday, selecting "I Married A Nurseryman" as her topic. Mrs. McNeil related the history, planting and marketing of cymbidiums, speaking from personal experience, as the McNeil family are local commercial cymbidium growers, having more than 5000 plants in their green houses, and have been engaged in the business for 17 years.

Following her talk, the women were taken on a tour of the McNeil lath and green houses. Mrs. McNeil was presented with a pink Dresden African violet from the collection of Mrs. Francis Wilson, by the Section.

Mmes. J. C. Baird and Ray Padrick, hostesses, served refreshments at the conclusion of the meeting.

Food Handlers Training

Owners and managers of all Upland-Cucamonga area eating establishments will meet Wednesday, Feb. 18, with County Sanitation Department officials to plan a Food Handlers Training School.

The meeting will commence at 3 p.m. in the Council Chambers of Upland City Hall, according to Richard E. Elliott, R.S., director of sanitation for the county.

The County Health Department, in cooperation with local civic groups, plans to hold the food handlers training school in the near future. It is planned in an effort to help solve our mutual problems pertaining to the safe and profitable manner in serving food to the public.

Slides, movies and demonstrations will be used to better acquaint you and your employes with sanitary operations, safe foods and better profits. The new numerical grading system will also be discussed.

Marius and his wife, Martha, sought refuge with Valentine . . . but Valentine had been beheaded on Feb., 14, 270 A.D.

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Board of Trustees of the Upland School District of San Bernardino County, hereinafter referred to as the "Owner," will receive up to but not later than 7:30 o'clock P.M. of the 10th day of March, 1959, sealed bids for the award of contract for the construction of the UPLAND JUNIOR HIGH SCHOOL PORTABLE CLASSROOMS, located at 444 E. Eleventh St., Upland, San Bernardino County, California.

Such bids will be received in the Administration Office of the Owner at 716 No. Third Ave., Upland, California and will be opened and publicly read aloud at the above stated time in the Board Room at 724 No. Third Avenue, Upland, California.

Each bid must conform and be responsive to this invitation, the plans, specifications, and all other documents comprising the pertinent contract documents. Copies of the Contract Documents are now on file and open to public inspection in the said offices of the Owner and of Smith, Powell & Morgridge, Architects, located at 208 West Eighth Street, Los Angeles 14, California, and may be obtained at the latter place by depositing $25.00 for each set. This deposit will be refunded if the set or sets of Contract Documents delivered are returned in good condition within five days after the bid opening.

Each bid shall be made out on a form to be obtained at the office of Smith, Powell & Morgridge, 208 West Eighth Street, Los Angeles 14, California.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or satisfactory Bid Bond in favor of the Owner, executed by the bidder as Principal and a satisfactory surety company as surety, in an amount not less than five per cent of the bid. The check or bid bond shall be given as a guarantee that the bidder will execute the Contract if it be awarded to him in conformity with the Contract Documents and will provide the surety bond or bonds as specified therein within five days after notification of the award of the contract to the bidder.

The Owner reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

Pursuant to the Labor Code of the State of California, the said Owner has ascertained the general prevailing rate of per diem wages for each craft or type of workmen needed to execute the contracts which will be awarded the successful bidders; and these prevailing rates are contained in said specifications adopted by the Owner, and are as follows:

Country Club Activities

Richard T. Young has been welcomed as a new regular member at Red Hill Country Club.

Mr. Young is a partner in a law firm located in Pomona and lives with his wife, Mary Francis, and their six children, in Claremont. Mr. Young purchased the membership of Daniel J. Spring, who has moved away from this vicinity.

Feb. 27 has been designated as monthly guest day for lady golfers, under the sponsorship of the Ladies' Auxiliary, for this month.

Scheduled to begin March 1, a new dining program will be instituted at the Club with dinner available every evening from Wednesday to Sunday evening, inclusive. Service on Thursday and Sunday will be buffet style, with dinner being served on the other nights. Friday evening has been designated Family Night, with attractive menus provided at economy prices for both adults and children.

Candlelight dining and dancing are a feature of Saturday evening, for members and guests, with dinner served from 5:30 to 10 p.m. on that night. Other evenings, service concludes at 8:30.

POTLUCK FOR QUESTERS

Mrs. T. L. Johnson, 2468 San Antonio Cr. East, will serve as hostess to Questers Garden Club, in her home, tomorrow, the 13th, beginning with a pot luck luncheon to be served at 12:30 p.m.

PTA HONORARY LIFE MEMBERSHIPS were awarded Monday night by Highlanders PTA of Upland High School to Alfred H. Utman of Etiwanda, left, and Mrs. Bruce Claflin, right. The recipients are congratulated by W. W. Woodward, center, Highlanders PTA president. — John Nicholson Photo

Highlanders Award Life Honorary Memberships To Mrs. Claflin, Al Utman

Because of their outstanding service to youth and the schools in Chaffey Union High School district, Mrs. Bruce Claflin and Alfred H. Utman were presented Honorary Life Memberships in the PTA, by Upland Highlanders with Max Hawkins making the presentations.

Mrs. Claflin has been active in Girl Scout work, church and PTA for many years, is past president of Upland Highlanders and current chairman for Upland High School senior week activities.

Mr. Utman served on the Chaffey College and High School board for several years and was acting as president when plans for Upland High School were formulated. He is a resident of Etiwanda and the father of two sons who attended Chaffey schools.

Upland Highlanders observed Founder's Day and honored past presidents at their meeting on Monday evening, with two past presidents, Mrs. Claflin and John Nicholson, being introduced.

Mothersingers presented the musical part of the program, singing "May The Good Lord Bless and Keep You" and "The Pie Song."

"Home Economics - A Double Future" was the subject theme for the remainder of the program, with Mrs. Rachel H. Bissitt, Home Economics department, as narrator for the fashion show presented by girls who modeled garments they had made. She also introduced members of the homemaking faculty, Mmes. Mary Grable, Wilma Klepper and Pauline Nelson, and Larry Brewer. Miss Janet Ford read the poem "Future Homemaker of America."

Open house was held in the rooms of the homemaking department, with refreshments served, having been made in the food classes.

Thomas Glasheen, assistant principal, and Harvey Shirk, counselor, were introduced, and each made a brief talk.

"Divine Publicity" is the theme title selected by the Rev. Trusten A. Hart, pastor, First Presbyterian Church, for his Sunday morning sermon.

Couch Provides '59 Chevy For UHS Driving Training

Upland High School's driver education equipment has been brought up to the minute by the replacement of an older model car with a 1959 Chevrolet Bel-Air, donated by the Alan A. Couch Company of Upland.

Department chairman Lloyd Conner reports the car has dual controls and is now in use by the department. "We will be replacing our other makes and models soon, also —thanks to the generosity of our car dealers."

Conner released the names of the third group of students who have received their behind-the-wheel training since the beginning of school. These students have received actual driving experience as well as observation of others driving on the highways and in city traffic. All students are required to take driver education in high school, and those who wish, and receive permission of their parents, may take behind-the-wheel driving.

Those completing the road training are: Lorna Buie, Lyn Ganzen, Christine Wymore, Elaine Murtha, Alice Martinez, Bonnie Alder, George Lesley, Wayne Ivett, Darrell Echols, Frederick Henderson, Jack Carter, Robert Watson and Lynn Davis. Don L. Morton was instructor.

Linda Quattrociocche, Terrence McInnes, David Thompson, Sylvia Townsend, Arthur Ayala, Eileen Mefferd, Danny Delsi, Toni Mojica, Virginia Donaldson, Bob Fink, Donald Shipley, Judy Abbott, Margo Bailey, Mary Ann Zabala, Edward Edwards, also completed the training with Mrs. Lenore Taunton, instructor.

Carol Smith, Barbara Pedley, Bill Croghan, Fay Zuccato, Karen Kay, Nelson Aleman, Yolanda Ortega, Rodney Becker, Gilbert Gagnon, James Watson, Judith Coffey, Steven Ruiz, Mary Finez and Patricia Gardner also completed with Manuel Meza, instructor.

149 Narcotics Arrests In 1958

Grand Jury Urges Action To Halt Narcotics Traffic

"The narcotics problem is intensifying. . ."

So advised the Narcotics Committee of the 1958 Grand Jury of San Bernardino County in its final report before being dismissed Jan. 28.

Making recommendations to both county and state legislative agencies for increased vigilance and action in controlling the use and illegal sale of narcotics, the Grand Jury committee provided county-wide figures on the illegal dope traffic.

". . .149 people were arrested for the sale and/or use of narcotics during 1958," the committee reported.

Of this total group, disposition of the cases reported 36 sentenced to state prison, 11 sentenced to California Youth Authority, 11 sentenced to county jail, 14 cases dismissed, 12 persons granted probation, four acquitted, six committed to a state mental hospital, and disposition of 55 individual cases were pending at the time the report was prepared.

To counteract growth of the narcotics traffic, the Grand Jury committee, chairmaned by Allen Lynch of Upland, recommended the Board of Supervisors take steps to reinforce the Sheriff's office with sufficient clerical or other personnel in the Vice-Narcotics Department, adequate to provide effective protection of the public from illegal sale and/or use of narcotics in the county.

Lack of proper state legislation was cited for creating the need of such additional personnel in the Sheriff's office, as well as in the office of the District Attorney and the courts.

To correct the legislative void, the Grand Jury committee concurred with recommendations for state legislation prepared by the offices of the San Bernardino County District Attorney and Sheriff, and submitted them at a meeting of Southern California Grand Juries last Dec. 18.

The recommendations were accepted by the other Grand Juries and are being followed in recommendations being made to the Legislature by each County Grand Jury.

The recommendations provide for addition of a new section to the Health and Safety Code of the State. The section would provide that all relevant and material evidence would be admissable as evidence irrespective of the manner or means by which such evidence was obtained, providing that the civil rights of the individual were respected.

A second provision would eliminate the necessity of disclosing the identity of informers in order to establish reasonable cause for arrest, search or seizure, in all narcotic offenses.

"In the past several months, it has been found that the sale and use of heroin has increased, while the sale and use of marijuana continues strong," the Grand Jury report states.

In addition to making public the figures and facts concerning increased dope traffic, the Grand Jury committee also commended the various law enforcement agencies and courts of the county for actions taken by them in 1958 to control the illegal sale and use of narcotics. This commendation included the Sheriff's office, District Attorney's office and Superior courts. Commended for respecting the legal rights of all suspects in narcotics cases were the City and State police in the county.

Cited for care and exactness in preparing cases for indictments before the Grand Jury and subsequent prosecution before the courts was the District Attorney's office.

The courts were lauded for "setting bail bonds at amounts commensurate with the offenses" and further commended them for their "regard for the public welfare by imposing sentences in keeping with the seriousness with the crimes of selling and using narcotics."

A recommendation of the Grand Jury Committee auditing the Sheriff's office urges that "all cars confiscated because of narcotics violations be retained by the Sheriff's department for use by undercover men." This committee also recommended the assignment of a clerk to the Vice-Narcotics Division of the Sheriff's Department.

Central-Arrow Gets Sign Changes, No Improved Control

A traffic control blinker light at the corner of Central Ave. and Arrow Hwy. is not the answer to collisions at this location.

This is the opinion of San Bernardino County Traffic Committee.

"It might not be a 100 per cent solution to the problem but something effective has to be accomplished," is the rejoinder of Upland Safety Committee Chairman Harold Barbour.

Upland Safety Committee several months ago recommended to the City Council that a blinker light, a 35 mph speed limit and other traffic controls be provided at the accident-prone intersection of Central and Arrow at Upland's western boundary.

Supervisor Richard G. Manley informed Upland Safety Committee Chairman late yesterday that the County has designated Central Ave. from Foothill to Arrow a 45 mph zone and will remove obstructions at the northwest corner of Arrow and Central intersection.

The Council adopted the recommendation and in turn submitted a four-point recommendation to San Bernardino County highway department. Both intersecting roads are county roads, and the blind corner of the intersection on the northwest is in county territory.

The County Traffic Committee report is based on an investigation made by the county traffic engineer, and concludes that this "control (blinker light) is not considered effective."

The committee cited information from California Division of Highways to the effect that three blinker signals placed in use in this area by the State show an accident history of "before blinkers" and "after blinkers" which indicates the blinkers made no decrease in accidents, and that in some instances more accidents occurred after installation.

The County Committee did recommend two of the four points of the Upland City Council presentation, and the County has since completed these two projects, the replacement of existing stop signs on Arrow Hwy., installation of "X" signs on Central to warn of the Arrow crossing, and repainting of the pavement "stop" markings.

No action has been forthcoming, however, on the Upland SafetyCouncil and subsequent City Council recommendation that the speed limit on Central Ave. north of Arrow be reduced to 35 mph.

The recommendation contained the information that Montclair has put into effect a 35 mph zone on Central Ave. throughout that city, and Upland City Attorney Henry Busch is drafting an ordinance for a 35 mph zone for that portion of Central Ave. in this city, from Arrow Hwy. south to Ninth St. A county-designated 35 mph zone north from Arrow to Foothill Blvd. would thus complete Central as a 35 mph artery.

If no blinker light is to be installed at the Central-Arrow intersection by the county, Mr. Barbour indicates the Safety Council will urge that the City Council take measures necessary to have all of Central Ave. designated as a "35 mph" zone, strictly enforced by city and county, from Foothill south to Ninth St., where the Montclair 35 mph zone is already effective.

Within recent weeks, several Upland residents have been involved in traffic collisions at the infamous intersection, including W. S. Guy, Joe Bert and Dewey Cable. Several years ago, a collision at the corner claimed the life of Chino's mayor.

"What is next Better controls or more deaths" asks Mr. Barbour.

Altar And Rosary Society Announces Activity Dates

Mrs. Ben Johnson, newly elected president, conducted the business of Altar and Rosary Society of St. Joseph's Catholic Church at its recent meeting in the school auditorium.

Plans were formulated for the coming Fiesta which will be held this year May 22, 23 and 24. Members were requested to contribute items that could be used for a "fish pond" and it was decided to send letters to moving picture stars, requesting a small gift with an autographed card as a donation.

Mrs. Johnson suggested that each Guild appoint two members as a pickup committee for the paper and rag drive to be held Feb. 14 and 15.

Mrs. Felix Castellini was appointed as representative to the Deanery of Catholic Women, at the March 15th meeting, when St. Joseph's Altar and Rosary will serve as hostesses. Luncheon will be served in the school auditorium for those attending.

A social time followed the business meeting, with St. Theresa's Guild serving refreshments.

Catholic Guilds Plan Activities

Fiesta plans were discussed at meetings of Guilds of St. Joseph's Catholic Church when they met this week.

St. Theresa's Guild will be in charge of the fancy work booth at the May 22, 23 and 24 annual Fiesta, and St. Veronica's Guild in charge of the fish pond. Ways and means of being of assistance to these Guilds, were discussed by other Guilds.

Chairmen reported on the successful rummage sale held the end of January, and volunteers were requested for assistance with the rag and paper drive scheduled for Friday and Saturday of this week.

St. Anne's Guild met in the home of Mrs. Edward Hurley, 2211 W. Orange Dr., Monday evening.

Presentation Guild met in the home of Mrs. Al Blessant, 9317 E. Sixth St., Cucamonga, Monday evening.

St. Theresa's Guild met last evening in the home of Mrs. Dominic Pugliese, 775 Ukiah Way.

Immaculate Conceptio Guild meets this evening in the home of Mrs. Ben Johnson, 794 N. Euclid Ave., and will follow the same general program.

First Mennonite Guest Speaker

Dr. D. C. Wedel, President of Bethel College, North Newton, Kansas, will be the guest speaker in the morning worship service of the First Mennonite Church on Sunday. Dr. Wedel is visiting the local church in connection with a speaking tour on the west coast.

Bethel College is one of the four-year liberal arts colleges maintained by the General Conference of Mennonite Churches, and students from the local congregation attending are Susan Smith, Larry Hirschler, Jo Lynn Hirschler, and Phyllis Collier.

Final Rites Held For Mrs. Minor

Private graveside services for Mrs. Myra Mae Minor, 8218 Baker Ave., Cucamonga, who died on Feb. 4, were held Friday afternoon with interment following in Bellevue Cemetery, the Rev. Richard Pitts, pastor, First Methodist Church officiant.

Arrangements were made by Stone Funeral Home.

Quesada Services Held On Friday

Final rites for Jose Quesada, 8796 Vinmar Ave., Cucamonga, were held Friday morning in Our Lady of Mt. Carmel Catholic Church, Cucamonga, with the Rev. P. Valdez, pastor, as celebrant at the mass. Interment followed in Holy Cross Cemetery, Pomona.

Rosary was recited on Thursday evening at Stone Funeral Home.

David Peterson, Upland High School instructor, was a discussion group leader at the eighth annual Midyear Conference on Good Teaching, sponsored by the California Teachers Assn., Southern Section, and several of its affiliates. James Stewart, also an UHS instructor, was a delegate to the conference, which was held Feb. 6 and 7 at University of California. Theme of the conference was "Quality Teaching in Our Schools."

Field Service Program Sets Fund Raisers

Upland High School's students are involved in an all-out effort to raise enough money to send one or more of its American Field Service Summer Program candidates to Europe.

William Hildebrand, co-ordinator of the effort, and Miss Margaret Steinbrugge, advisor of the fund - raising group, have announced the following events designed to add to the funds.

The sale of basketball game booster tags prior to the games; a bake sale, Saturday, Feb. 14 in downtown Upland; a car wash Saturday, Feb. 21, at the Horticultural Center on Euclid Avenue, a showing of John Belcher's Big Game Hunting Films in the school library, Monday, March 2, 7:30 p.m.

Mr. Hildebrand publicly thanked these organizations for their donations toward the fund: Alta Loma - Cucamonga Woman's Club, Soroptimist Club, and Optimist Club.

He also reiterated that the venture is to be considered an effort of the entire Upland community—not just a high school activity. "It will take everyone's help to give our students this wonderful opportunity to spend a summer in Europe," he said.

Heights Church To Hear Mr. Doerr Of The Gideons

Mr. Henry Doerr will be speaker at Sunday morning worship services, First Baptist Church of San Antonio Heights, using as his topic, "The Gideons."

A special offering will be taken, which will be presented to the Gideon organization. Mr. Doerr will also offer vocal selections.

Mrs. Bessie Bell has taken charge of the children's department at the church, for ages two through eight. She has had 15 years experience in the field of child evangelism, the "Good News" club and is successful with her flannelgraph presentations.

World Literacy Worker, Mrs. Eggleston, Feb. 24 Speaker

Mrs. Louise Eggleston, widely known for her work with Dr. Frank Laubach for World Literacy, will speak in Upland Methodist Church morning and evening, Tuesday, Feb. 24. The morning session, beginning at 10:30 a.m., will stress prayer group techniques. At 7:30 p.m. she will give an address.

Mrs. Eggleston is president of Koinonia Foundation of Baltimore, Md., which is a spiritual training center for technicians, teachers and businessmen who go to help people in underdeveloped areas all over the world. She comes with a two-fold purpose — to inspire spiritual growth through an increased knowledge of prayer, and to help further Koinonia's efforts for the world's hungry, illiterate and hopeless peoples.

She is the originator and leader of the World Literacy Prayer Group and a past president of World Literacy Foundation, Inc., as well as serving as Spiritual Life Chairman for the Virginia Methodist Conference from 1943 to 1955.

She is the author of a widely read series of helpful handbooks on prayer and its techniques. The revenue from the sale of these books she contributes to Dr. Laubach's work and to the work at Koinonia Foundation.

The public is invited to attend.

Ezra Ellis Will Speak Sunday

First Methodist Church will have as guest speaker at Sunday morning worship services the Rev. Ezra Ellis, vice president of the new Southern California School of Theology, which is being established in Claremont.

He will speak at both the 9 and 11 o'clock services, and has chosen "Breaking Through to God" as his theme title.

Beginning Sunday evening, Lenten services will be conducted every Sunday evening until Easter, with the Rev. Philip Peace speaking on "The Cost of Freedom" at the first service.

Mrs. Don Hewitt, wife of the owner of Don's Electric, 758 E. Arrow Hwy., is at her home in Mt. Baldy, following a stay in a Los Angeles hospital, where she was under observation and undergoing tests, with a possibility of surgery. No surgery was performed and it is hoped that a period of rest and relaxation at home will be of sufficient benefit to her, so that surgery will be unnecessary.

Famous Film Series In 2d Year Feb. 20

Chaffey College second annual Famous-Film Lecture series will open Feb. 20 at 8 p.m. in Hill Auditorium with Sir Laurence Olivier's production of "Hamlet." Admission is free to all of the films.

This series, 'The Dramatic Arts for Contemporary Understanding," is under the sponsorship of Chaffey College Adult Education Department. Films representing the classics, the historical novel, current human conflict, and satire have been selected by Chaffey College Heritage Committee. Guest lecturers will introduce each film and lead the lecture-discussion portion of the presentation.

Second of the film series will be the showing of the famous film, "The Robe," based on Lloyd C. Douglas' famous story. This will be shown on Feb. 27 at 8 p.m. in Spring Auditorium.

The last two films will be shown in the Hill auditorium at 8 p.m. On March 6, the Italian prize - winning film, "The Bicycle Thief," will be presented, and on March 13, Rene Clair's French comedy-satire, "A Nous, La Liberte," will be offered. Both of the foreign language films have English sub-titles.

Alexander McLeish, principal of Upland High School, returned by plane this morning from Philadelphia, where he attended the national convention of the Assn. of Secondary School Principals, Saturday through Wednesday.

Fire Chief Refutes Rate Story; Area Due For Resurvey

Dear Sir:

In your issue of The Upland News of Feb. 5, I noticed you headlined "Cucamonga Insurance Rates are Tripled East of Grove Avenue," which startled me, but on checking the schedule rate which you published I find there are no triple figures shown at any place.

In the middle column for Zone One which is for the area that has the largest concentration of insured values and population the rate is slightly over 20 per cent difference and in column 3, Zone 2, the rates are only 60 per cent higher.

It should be remembered that the Cucamonga rates were established in 1950 when this area was not built up as it is today and most of the homes were of wood - frame construction and not built under a building code. Also our fire department had only one piece of equipment, a makeshift fire station, our water distribution was poor with only about 35 fire hydrants.

At the present time we have a modern fire station, three pieces of equipment fully equipped, one full time employee, 350 fire hydrants supported by one of the finest water systems anywhere. In April we will take delivery of a new 1250 gallon per minute American LaFrance pumper. At that time the Pacific Board of Fire Underwriters are to resurvey our fire district which should result in insurance rates comparable to surrounding areas.

I feel that because of the above items the hasty preparation and release of the figures shown in your paper of Feb. 5 were misleading.

I do not believe it is the proper thing to make an issue of Fire Departments and their services in this area because of the wonderful cooperation, friendship and loyalty that has developed between the fire services of the West End and the County, which has resulted in a mutual aid program that probably is not equalled in any other county in the state. It is important to the people of the area that this situation continues.

Sincerely yours,
ARVID E. LEWIS, Fire Chief
Cucamonga Fire District

Mmes. Hanzlik Arner Honored By Central PTA

Honorary Life Memberships in PTA were presented to two surprised recipients at the February Founders' Day meeting of Cucamonga Central PTA in the school Cafetorium.

In special words to "Auld Lang Syne" the Girls' Chorus told the group that Mrs. Edward Hanzlik and Mrs. Rodney Arner, school district trustees, were to be honored for their "outstanding contributions to the youth of our community." Mrs. Boyd Laub, president, presented the pins and membership cards.

Past Presidents attending included Mmes. Ray Ford, 1925-1927; Maude Bonillas, 1933-1934; Arvid Lewis, 1945-1946; Tom Moore, 1947-48; Marvin Wangler, 1949-1951; Harold Woodrow, 1952-1954; Sebastiano Filpi, 1954-1955; Edward Hanzlik, 1955-1957. They were introduced in a large gold frame as Mrs. Walter Mertz read a brief review of events of interest during each term.

Elected to the Nominating Committee to choose a slate of officers for the coming year were Mmes. Robert Sutton, Ralph Farrington, Gloria Romo, Reynold MacDonald and Walter Mertz.

The sixth grade class of George Beres presented a "T.V. Show" which the class had written as a culmination of an Electronics Unit.

After seeing a most inspiring film, "The Face of Lincoln," the group enjoyed a social hour with Mmes. George McCabe, C. H. Christensen, and Glenn Baker as hostesses.

Selected For Publication

"Unshared Joys," a poem by Miss Florence Armstrong, Upland High School English instructor, has been accepted for publication in the National Poetry Anthology for Teachers and Librarians.

Mrs. Corinne Morrison, department chairman, received word of the acceptance from Mr. D. Hartman, spokesman for the National Poetry Assn. of Los Angeles.

Eight thousand manuscripts were sent to the publication and 450 were selected to be printed in the Spring edition.

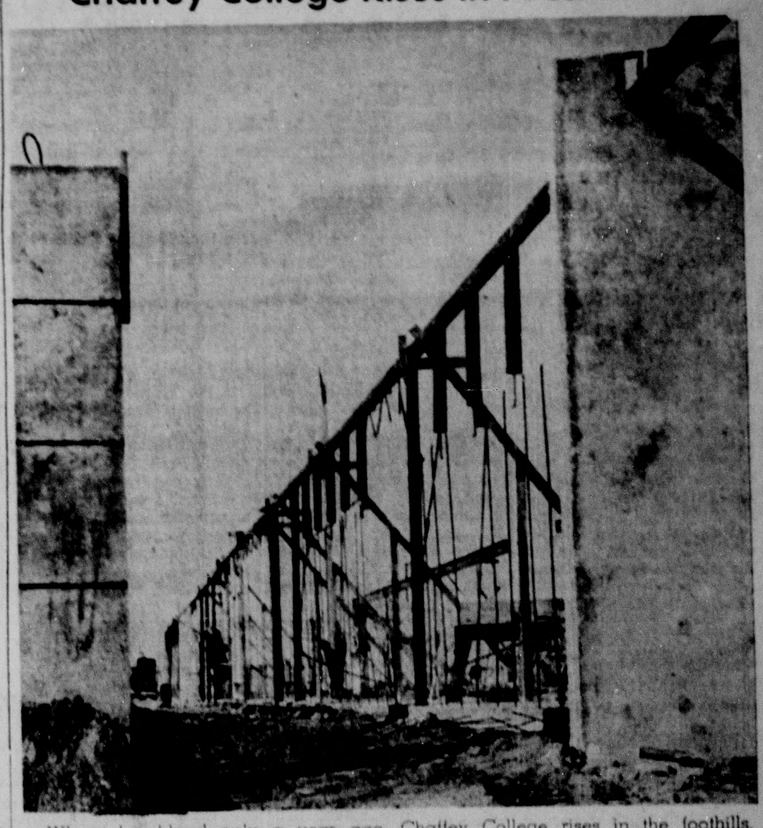

In Recital

Mrs. Stella Lee Bartholomew, 2426 Mountain Drive, is opening her home Sunday, Feb. 15 at 3:30 p.m. for a recital by the pupils of Mrs. Michael Bastian, piano and organ teacher of Ontario.

Other than the students presented, there will be guest pianists, an accordion soloist and two violinists offering special numbers.

Those appearing on the program include Susie Cowin, Irene Martinez, Barbara Grubel, Sharon Cox, Linda Laslo, Audrey Warner, Nancy Campbell and Patricia Hopkins, students of piano and David Ashcom, at the console of the Hammond organ.

Chaffey College Rises In Foothills

Where brushland only a year ago provided a haven for birds and desert animals, another year will see a college for the students of this area. The site in northeast Alta Loma district is fast becoming a small city of poured concrete and steel structures as the new Chaffey College rises in the foothills. Here is seen the business administration building under construction. At left is one of the pylons which line the covered passageway of the structure, with the classroom steel framework and concrete walls at right.

Attorneys Blast Drastic Penalty Proposal For Dope Pushers

Editor, Upland News
257 East Ninth Street
Upland, California

Dear Sir:

Please accept our sincere commendation for the current series focusing public attention on one of the most serious of the problems facing our State today—the traffic in contraband narcotics and the enslavement of human beings through drug addiction.

We are as attorneys, however, deeply disturbed by what appears to be an attempt to achieve a single and impossible "panacea" solution while the full extent and ramifications of the matter are ignored. Increasing severity of punishment has never solved crime. We are told that at one time in Britain some 200 offenses including pickpocketing were punishable by public hanging. And where was the greatest incidence of pickpocketing You guessed it—at public hangings.

From the ....
MAIL BOX

Penologists concerned with realistic analysis rather than "headline making" have been long agreed that the swiftness and inevitability of punishment is the effective deterrent to crime. Adding severe, required minimum sentences to the already available punishment can do nothing except create new problems of effective law enforcement. The federal experiment of increasing sentences to even the death penalty in certain cases has not decreased the narcotics crime problem and has materially affected enforcement in that juries and even judges are reluctant to inflict the fantastic sentences now available in federal cases. No, Mr. Editor, the answer to the narcotics problem cannot be found in reversing the modern trend towards making the punishment fit the criminal rather than the crime and dragging us back into the dark age of the black dungeons.

If the answer to this vital problem is ever to be found, logic and reason dictate that it must be from fully and carefully considered studies by experts cognizant of the unquestionable fact that this is a complex matter involving very important moral, social, medical, and constitutional aspects as well as that of law enforcement. Hasty legislation compelled by an enraged (but not enlightened) public will only make matters worse. The dope addict is a slave to his habit and must be helped. The "pusher" who is not an addict is drawn to the field by the enormous profits. The threat and fear of drastic penalty will not cure the habit nor erase the profits and hence cannot prevent the continued criminal activity to satisfy these unnatural cravings.

Again, we applaud your public service in bringing this most serious of all problems to light. We trust that this "light" will be used to illuminate the matter rather than to cause ill considered and sensational activity which cannot bring about the desired results.

Very sincerely yours,
Harold A. Bailin

A Filthy Business

Filthy business — that's what selling narcotics to children is.

Anyone who is responsible for making another human being a narcotics addict is the lowest form of person.

We think such a person, when and if they are convicted properly in a court of law, should receive the maximum sentence possible.

That's why we are conducting the campaign to send these jokers to prison for a minimum of 30 years, without parole or any chance to cut it down.

We're not the only newspaper in this drive, either. There are 270 other newspapers in the State trying to get Asembly Bill 119 passed.

This past week we talked to the publisher of the Gardena News, where the drive started. He told us that in the past two weeks law enforcement officials arrested 48 high school students of Gardena as addicts. And the "pusher" was the star half-back of the football team.

If this isn't a sickening situation, we can't think of one.

Have you signed a petition yet?

News Sources Protected

A news-hen in New York City has been held in contempt of court for refusing to tell the names of people who gave her information for her newspaper.

This cannot happen in Upland, for newspaper people in California are immune to such contempt charges for refusal to disclose sources of information.

This confidential relationship is considered one of the basic tenets of newspapers: protecting the source of information.

In 1935 a law was passed, and we quote:

"C.C.P. 1881. There are particular relations in which it is the policy of the law to encourage confidence and to preserve it inviolate; therefore, a person cannot be examined as a witness in the following cases: * * *

"6. A publisher, editor, reporter, or other person connected with or employed upon a newspaper cannot be adjudged in contempt by a court, the Legislature, or any administrative body, for refusing to disclose the source of any information procured for publication and published in a newspaper."

Wise were the men of 1935.

EDITORIAL
What Price, Safety?

"Wait until someone with influence is killed there — a mayor or some prominent businessman. Then they'll install a blinker light."

This was an observer's comment on the County's decision not to install the blinker light at Central Ave. and Arrow Hwy. as requested by Upland Safety Committee, Upland City Council, two petitions signed by the heads of 40 households in the area, and Supervisor Richard G. Manley.

Posthumous action, oftimes the result of a major traffic crash, is not what is wanted to cure traffic ails at Central and Arrow. And, the mayor of Chino was killed in a collision at this intersection and no remedial action was brought about.

The County Traffic Committee and engineer report that a blinker light would not provide effective controls for the intersection. They report no action on the request for a 35 mph zone on Central.

A flashing light might not be the solution to the intersection dangers.

Neither are the new crossing signs recently erected on Central, nor the freshly painted stop lines on Arrow.

Perhaps a 35 mph zone is not the perfect solution.

But its worth a try.

Salute To Edison

It is easy to flip on the light switch. Or turn on a motor. Or start an appliance.

And in honor of all this — we celebrate the birthday of Thomas A. Edison . . . an amazing man. When you get tired of TV (and you will), dig out a book on the life of Edison. It's fascinating reading.

From those early days . . . we now have an electrical industry of some 3,194,000 workers: business is expected to have spent $4 billion on equipment and plant in 1958.

The average home has nine appliances: radio, refrigerator, iron, washer, TV, toaster, clock, vacuum cleaner, and automatic coffee maker. Such items as electric shavers, mixers, television, and steam irons virtually were unknown in households just ten years ago.

So, we salute the Thomas Edisons . . . who have given Upland much of the comfort and ease it has today.

COMBINED EFFORT

We would like to express our appreciation for the excellent publicity that you gave us during the past year.

Due to your publicity, many new volunteers assisted in this program and more than 1600 underprivileged children in this area received toys, new clothing and candy for Christmas.

This project could not have been a success without the combined efforts of all those who participated.

RESOLUTION OF INTENTION NO 1416

IN THE MATTER OF THE CONSTRUCTION AND INSTALLATION OF A SANITARY SEWER SYSTEM IN THE SALINA STREET IMPROVEMENT DISTRICT

The City Council of the City of Upland, California, in regular session assembled this 3rd day of February, 1959, does hereby resolve and determine as follows:

SECTION 1: That the public interest and convenience require, and that it is the intention of said City Council to order the following work to be done or improvements to be made in said City of Upland and the County of San Bernardino, California, to-wit:

(a) The construction and installation of an 8" vitrified clay pipe sewer, together with 4" cast iron pipe laterals and manholes with cast iron rings and covers, and including trenching, backfilling, appurtenances, and appurtenant work, in and along Salina Street from an existing manhole in the center line of Grove Avenue in the County of San Bernardino at its intersection with Salina Street, to a manhole to be constructed in the center line of Fourteenth Avenue at its intersection with Salina Street in said City of Upland.

SECTION 2: All of the above mentioned work, including the grade to which said work shall be done and the location thereof in and upon the streets above mentioned, shall be done upon the grades, along the lines, between the points, of the dimensions, at the places and in the manner described and set forth in the plans, profiles and detailed drawings of said work, and to specifications for said work heretofore adopted by said City Council on January 20, 1959 by its Resolution No. 1413, which plans, profiles, detailed drawings and specifications are on file in the office of the City Clerk of said city, and which are hereby referred to for a more particular description of said work, grade of work, and location of said work in and along the streets hereinbefore mentioned; and which said plans, profiles, detailed drawings and specifications are hereby incorporated herein and made part hereof by reference as though set forth fully herein.

SECTION 3: That said contemplated work and improvements, in the opinion of said City Council, is of more than local or ordinary public benefit, and that the expenses and cost of said work and improvements shall be chargeable upon a district, which said district said city Council hereby declares to be the district benefited by the work and improvements herein described and to be assessed to pay the cost and expenses thereof; said district shall include that territory in said City of Upland and said County of San Bernardino which is shown upon that certain plat or map thereof on file in the office of the City Clerk of said city, entitled, "SALINA STREET SEWER 1911 IMPROVEMENT ACT - ASSESSMENT DISTRICT IN THE CITY OF UPLAND, CALIFORNIA - MAP SHOWING THE GENERAL NATURE LOCATION AND EXTENT OF THE PROPOSED IMPROVEMENT AND THE LANDS TO BE ASSESSED TO PAY ANY PART OF THE COST THEREOF," and which said map or plat indicates by a boundary line the extent of the territory included in the proposed district and covers all details as to the extent of the area to be assessed; said map or plat is hereby incorporated herein and made a part hereof by reference as though set forth fully herein.

SECTION 4: Notice is hereby given that serial bonds shall be issued in the manner and form provided in Part 3, Division 7 of the Streets and Highways Code of the State of California, the "Improvemen. Act of 1911," to represent unpaid assessments of Fifty Dollars ($50.00) or over, which said bonds shall bear interes. at the rate of six (6%) per cent per annum and the last instalment of which bonds shall mature nine (9) years from the second day of January next succeeding the next October fifteenth following their date.

SECTION 5: Notice is hereby given that on Tuesday, the 3rd day of March, 1959, at the hour of 7:30 o'clock P.M. of said day, in the council chambers in the City Hall of said City of Upland, the meeting place of said City Council, any and all persons having any objections to the proposed work or improvements, or any objections to the grades to which said work is to be done, or any objections to the boundaries of the district proposed to be assessed to pay the cost and expenses of said work or improvements may appear before said City Council and show cause why said proposed work or improvements should not be carried out in accordance with this resolution of intention, and may present written protests in the form and manner required by law not later than the hour hereinabove set for hearing objections against the doing of said work, the grades to which said work is to be done, or the extent of the territory to be assessed to pay the cost and expenses thereof.

SECTION 6: The City Clerk of said city shall cause this resolution of intention to be published twice in the UPLAND NEWS, a newspaper of general circulation, published and circulated in said City of Upland, which said newspaper has heretofore been designated by said City Council as the newspaper in which shall be printed and published all notices, resolutions, orders and other matters required to be published in the proceedings to be taken pursuant to this resolution and under the provisions of the "Improvement Act of 1911", and amendments thereto; the first publication of said notice shall be not less than ten (10) days prior to the date herein fixed for the public hearing fixed by this resolution of intention.

SECTION 7: The Superintendent of Streets of said city shall cause to be conspicuously posted along the line of said contemplated work and improvements, and on all the open streets within the assessment district, notice of the passage of this resolution of intention in the time, form and manner required by law.

SECTION 8: The City Clerk of said city is hereby directed to mail notices of the adoption of this resolution of intention, postage prepaid, to all persons owning real property proposed to be assessed to pay any part of the cost of said work, whose names and addresses appear on the last equalized assessment roll for real property taxes, or as known to said City Clerk. Said mailing is to be completed at least fifteen (15) days prior to the day herein fixed for the public hearing on this resolution of intention, all in the time, form and manner prescribed in said "Improvement Act of 1911", as amended.

SECTION 9: The total estimated cost of said work and improvements, including estimated incidental costs, is in the amount of $8,095.20.

SECTION 10: NOTICE IS HEREBY FURTHER GIVEN that the grades to which said work is to be done are, or may be in part, new and different from those heretofore established, or may be and in some cases are different from existing ground levels.

ADOPTED AND SIGNED this 3rd day of February, 1959.

ORDINANCE NO. 573

AN ORDINANCE AMENDING ORDINANCE NO. 564 ENTITLED "AN ORDINANCE OF THE CITY OF UPLAND REGULATING THE ESTABLISHMENT, MAINTENANCE AND OPERATION OF TRAILER PARKS AND ACCESSORY BUILDINGS THEREIN IN THE CITY OF UPLAND" MORE GENERALLY KNOWN AND REFERRED TO AS THE "CITY TRAILER PARK ORDINANCE"

The City Council of the City of Upland does ordain as follows:

SECTION 1: Section 6. DESIGN STANDARDS of Ordinance No. 564, known as the City Trailer Park Ordinance is amended by adding thereto Sub-section 6.15 as follows:

"6.15 MINOR DEVIATIONS. It is recognized that situations may arise wherein it may prove to be impracticable or impossible or unfair or oppressive for a person desiring to establish or enlarge a trailer park to literally comply with all of the requirements of Section 6. DESIGN STANDARDS, and that a certain flexibility is necessary. It is accordingly hereby specifically provided that if the Planning Commission determines that any of the provisions of this Section 6. DESIGN STANDARDS should be modified or deviations allowed thereto thereupon said Planning Commission is authorized and empowered to deviate from the full requirements contained in said Section 6. DESIGN STANDARDS and authorize such deviations or modifications as the conditions may warrant.

SECTION 2: The Mayor shall sign this Ordinance and the City Clerk shall cause the same to be published within fifteen (15) days after its passage, at least once in the Upland News.

Medical Staff Offers Cash For Essays

Winners are soon to be announced in the Upland High School essay competition sponsored by the Assn. of American Physicians and Surgeons, a branch of American Medical Assn.

Two topics were provided for essays in the competition, open to all high school students, and a total of $250 in prize money for winners at Upland and Chaffey high schools is being provided by San Antonio Community Hospital Medical Staff.

"The Advantages of Private Medical Care" and "The Advantages of the American Free Enterprise System" are the two topics on which the high school students were asked to write their essays. Dr. Leslie G. Hoag, publicity chairman for the local competitions, reports that three prizes totaling $125 will be awarded at both local high schools.

First prize is $60, followed by a $40 second and $25 third prize. Local winners' essays will be entered in the county judging, and subsequent winners will go to the state and national judging in competition for more prizes.

All essays in the local competition were due on Feb. 1, with winners to be announced as soon as the judging is completed, Dr. Hoag reports.

Fashion Advisor To Return Speaks To Highland Wives

Highland Wives board members met last week in the Claremont home of Mrs. Herbert Christian, with Mrs. Tom Maxfield presiding.

Special recognition was given Mrs. Phillip Harmon and her January committee on the success of the January meeting, when Miss Barbara Gee spoke before more than 80 members and guests, on personal appearance and the hidden rules of social correctness in dress.

Mrs. David Campbell is chairman for the Feb. 25th meeting when Miss Gee will return to talk on poise, carriage and exercise. Assisting Mrs. Campbell will be Mmes. Joseph Jenning, Tom Glasheen, Terry Gillespie, Lloyd Conner, Ken Brooks and William Bandy.

Mrs. Christian was assisted by Mmes. Bill Wolfe and Dale Stevens. Others attending were Mmes. Paul White, Wallace Randleman, Gus Rischer, David Campbell, David Peterson and Lloyd Connor.

Conference Ended For Ministers

The Ministers' Conference for the Midwest and Pacific Conferences of Brethren in Christ Church concluded its three - day session Thursday, with 36 ministers from various states in attendance.

"Lift Up Your Eyes" was the concluding talk on Thursday evening, by Bishop Alvin C. Burkholder. Dr. Ernest Boyer, Dean of Upland College, an outstanding speaker for the conference, conducted seminars on preaching methods.

The conference was designed to assist pastors in two areas-church finance and evangelism.

Student Speakers For Auxiliary

Two young people from Upland High School appeared as guest speakers at the meeting of American Legion Auxiliary Thursday evening in Legion Hall.

Donna Glider chose as her subject "Nationalization" and Lance Lauer spoke on "Communism and Democracy." Both speakers presented interesting discourses concerning their selected topics and members were unanimous in their praise of these representatives of the local High School, both as to subject matter and manner of presentation.

During the business meeting, Mrs. Ed Fields, president, announced that the State convention would be held in Santa Monica this year, June 25-28.

A social time followed the business meeting, and refreshments were served by Mmes. James Moore and Frank Saunders, hostesses for the evening.

Pilone, Claflin Hickox Essay Prize Winners

Gordon Pilone, Upland High School student, was named winner of the Hire the Handicapped Essay Contest sponsored by the U. S. Department of Employment and other interested groups.

Contests were held throughout the nation on a local level, with the endorsement of the President of the United States, and the National office of the Department of Employment. Edward Wright, manager of the local employment office, and representatives of the American Legion, the Masonic Lodge, local newspapers, industry and schools, formed a committee to sponsor the contest. Chairman of the committee was Edward Medley, assistant city manager of Ontario.

On Thursday, the committee awarded the following prizes donated by United Electrical Workers Union, Local 1012: Pilone, $10 first prize; Diane Claflin, $5 second prize and Gail Hickox, $3 third prize. All are Upland High School students. The awards were made by Miss Gertrude Southern at UEW hall, Ontario. Special guests were the English teachers of the winners, Mrs. Corrine Morrison and Mrs. Mary Welty.

Savings help

All of us will have periods of stress at one time or another in years to come — times of illness, setbacks, bad luck, losses.

In such times, courage is the great thing. The man who wrote "I'm the master of my fate; I'm the captain of my soul" (William Ernest Henley in "Invictus") penned it on a bed of pain, after years of illness.

But savings help then, too, as well as courage. Money helps to lick financial worry, helps tide you over tough times, helps you obtain the best of medical care or other aid.

Savings at Euclid Savings & Loan at Ontario help make you the master of your fate.

Teacher's Project Told In Magazine

A teaching project devised by Miss Mary Sauter, Upland High School business education instructor, is appearing in the February issue of Business Education World, national magazine for business educators.

The project, "Reference Round Robin," involves instruction in locating sources of information available in the school library.

Miss Sauter has used the project effectively in her freshman General Business classes, and other instructors of the same subject have had marked success with it at Upland High School.

The school library is reserved for a designated number of hours each day and the business students, working in pairs, work through a series of problems in location of a great variety of items of information.

When the project is completed, the students have a working knowledge of every type of reference book in the library.

The article was written and submitted to Business Education World by Mrs. Polly Picard, business education instructor at Upland High School.

Morning—Chevy panel hustles over causeway to St. Petersburg

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip *anything* that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy!

If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck!

Quint Falls Just Short Of Victory

BY REED HANSEN

Upland High School's hustling Highlanders, in a never-say-die second half effort, came within four points of Pomona's Red Devils, 52-48, after being down at one time by 20 points, but Pomona, led by 6-9 John Glenn and all-CIF end in football Darral Farrar, finally pulled themselves together to topple Upland, 64-52, in the highly emotional contest.

The Highlanders garnered only 15 meager points in the first half and after Coach Jerry Kehr gave a stirring half-time speech to his cagers, the Highlanders, with John Grace hitting 22 points in the final sixteen minutes, continually hacked away at the Devils' huge lead.

But as Upland started to gain and narrow the count to 16, 12, 10, 8, Pomona began to worry and wear and the Devils committed unnecessary fouls and threw the ball to the Highlanders. With Lino Robledo and Gerald Thompson running a deadly fast break, the Pomona five just couldn't find themselves.

Although the Devils had heighth over Upland, hustle made the difference in the tremendous rally. But the miserable first half told the difference as Upland tired just short of taking the lead.

With his long shots from outside the key, Grace dropped in buckets with sheer determination for the "comeback team of the TCL." Capt. John McClure, Louie Black, and "number two" playmaker Kenny Storms contributed key baskets and stellar rebounding for a balanced attack against the host five.

McClure, wound up being "player of the week" with two assists, getting five rebounds, 10 points, two recoveries, committing no violations; and winding up with nine playmaking points. Next game, a BIG one: Chino at Upland, 8:15, (bees 7:00), Friday, Feb. 13, in the Highlander Gym. Come out and support the Highland cage teams.

Tournament Finals Only Week Away

Finals in Upland Youth Basketball Tournament will be played Saturday, Feb. 21 in Upland High School gymnasium.

Also, on the 21st, the Los Angeles Times free throw contest will be held in conjunction with the city tournament. All boys are invited to enter this contest as the winners will go to Los Angeles to represent this district.

The Panthers, led by Luis Morales with 16 points, came out of the first round of play undefeated with a 29-25 win over the Bears. Ten points by Art Ramos and six by Hank Merancio of the Bears were not enough to overcome the defensive play of Joe Kotwica and David Ybarra.

The Bears will now meet the Hawks, the latter having thoroughly trounced the Tigers, 50-29, on Saturday. Leading the Hawks in scoring was Bill Harmon, who is leading all scorers in the League, with 18 counters. Next high point man was Bobby Ybarra, with 10; Joe Caldera, nine, and Leo Martinez, 8. The Tigers were without the services of David Storms but Frank Martinez, Ray Bracacio and Jack Likins all scored six points each in the losing cause.

Effective Hardwood Play Wins Triple-Header For Raiders Over Vernon Jayhi

Upland Junior High Raiders displayed their most effective scoring punch of the season as they powered past Vernon of Montclair for another triple victory. The "A" result was, 37-18, Upland; the "B", 34-11, Upland; and the "C", 40-23, Upland.

Storms Stampedes

Guard David Storms plunked in 10 points in the first quarter and scored a total of 18 to lead the "A" team to its fourth league win against a single defeat. Center Larry Turner was next in the scoring bracket with 11.

The Raiders held a slim 17-15 edge at halftime and were leading by only five points at the end of the third quarter, but broke loose for 15 points in the final stanza, while Vernon could muster but a single tally, to blast their way to the final 37-18 margin.

Bee Runaway

Upland "B" five pulled away to a 19-6 halftime margin and played the reserves the better part of the second half in running up their fifth consecutive league conquest, 34-11.

Forward Joe Caldera returned to his scoring form after an off game and swished 12 tallies to nod Lorenzo Nino for high man honors by one digit.

Back On Target

After dropping two consecutive league encounters the Raider "C" quintet regained its winning ways by nodding Vernon, 40-23. Forward Tom Tatham and Center Ken Walker were high in the scoring department with 11 and 10 points respectively.

The win left the locals with three victories and two defeats in league competition.

Rattled Bee Five Edges Pomona; Faces Key Game

A shaky second half almost cost Upland's Bees a TCL basketball game, and possibly a share of the League title, as the Highlanders squeaked past Pomona, 45-44, at Pomona.

The Uplanders stomped the Devils earlier by 22 points but were rattled Friday night and threw away the ball, committing too many fouls.

Kenny Walker kept Upland in the game continuously with his baskets from the outside and Bob Keller kept his league scoring lead intact with 15 points. Walker wound up with 18 for high point honors.

Next game for the beeweights is with Chino on Friday and this is a must for the Highlanders for they can gain a share of the league title or settle for a second place finish.

Upland (45): F — Kenny Walker (18), F — David Thompson (4), C — Bob Keller (15), G — Jimmy Weldon (6), and G — Everett Murphy (0). Scoring subs: Upland — Dick Bryan 2.

Score by Quarters: Upland —10, 16, 7, 12—45; Pomona—3, 16, 11, 14—44.

Raider Bees Invitational Champions

Upland Junior High "B" Raiders, taking advantage of a first round bye, bounded past Clifton, 24-19, and DeAnza, 27-16, to win the championship of the Ontario Schools Invitational "B" division. Last year the "B" Raiders were runners-up.

In the "C" bracket the local hoopsters won in the first round, defeating Vernon, 20-16, before bowing to La Verne, 9-5, in the semi-finals.

The Raider "A" quintet bowed out in the first round to Clifton, the tournament champions, 39-33, in a well-played, high scoring melee. The Raiders bucketed 15 tallies in the final period but were unable to overcome the early Clifton margin.

The "B" champions were paced by Lorenzo Nino, who scored 22 points in the two games. Other participants were Dick Thoma (8), Joe Caldera (9), Ron Villanueva (4), Dan Milakovich (3), Ken Shattuck, Scotty Cameron (4), Joe Kotwica, Louie Hermosillo, Ted Culpepper and Jerry Cabunoc.

High School Girls Use Area Bowlin, Golf Facilities

Golf and bowling enthusiasts at Upland High School are being given the opportunity to use local facilities for games.

As a regular class activity, students are transported to Lomitas Golf Course in Ontario, where they use the driving range and putting green.

The girls use the range twice a week, and 60 students are participating.

Also, the Girls Athletic Assn. sponsors a trip to the Bowlium in Montclair once a week to bowl. Teams are organized, and they compete after school. Several faculty members participate in the events, as well as 70 students.

Miss Gay Fisher, chairman of UHS girls physical education department, supervises both activities.

E. P. Gosswill of 402 N. Third Ave., has been initiated by Alpha Zeta, national honorary agricultural fraternity. The intiation took place when the local honorary agricultural fraternity at California State Polytechnic College was installed at San Luis Obispo as the California Delta chapter of the national organization.
